# BRAESIDE SAFARIS

Braeside Safaris promises an exceptional plains game hunting safari. Family owned and managed, we have extensive knowledge in hunting and hospitality fields. Your Safari will be based in the Eastern Cape which is home to in excess of 30 species of game.

Most of the plains game are found in the Eastern Cape.

*Big Five available*

---

## ACCOMMODATION

The lodge consists of 5 bedrooms:

3 en-suite bedrooms, all with private entrances and queen size beds. The other 2 bedrooms share a full bathroom. Relax in our large entertainment lounge around a roaring fire or enjoy a barbeque under amazingly clear, starry skies on the deck over the river.

For our chilly winter nights, heaters, electric blankets will keep you warm.

Large entertainment lounge, dining room and bar with DTV and wifi. Relax around the cosy log fire in the evening or enjoy a barbeque under the amazingly clear, starry skies of the majestic Winterberg mountains.

---

*Altitude:* 1330 M ABOVE SEA LEVEL.

WINTERBERG MOUNTAINS 2295 M ABOVE SEA LEVEL

# HUNTING

Our area is notorious for Vaal Rhebuck! The Grey Rhebuck, locally known as the Vaal Rhebuck or Vaalribbok in Afrikaans. The Vaal Rhebuck hunt is perhaps the most challenging South African antelope to hunt, a splendid game animal that is not found in all collections.
